

# CALF PASS

Priefert now has Calf Pass Panels (PCPP12GY). Available in 12' lengths, these 64" tall, powder-coated feed access panels have adjustable horizontal bars regulating entry height to keep cows out while allowing calves in. The 18.5" entries have maximum 44.5" height between 1.9", 14 gauge vertical bars. Ask your rep or call for more information.

# PANEL CALF PASS
