GOAT FEEDER WITH HAY RACK
INSTRUCTIONS
GOAT FEEDER WITH HAY RACK
INSTRUCTIONS

Packing List

1. 2– Hay Rack Brace (HRBG)
2. 1– Hay Rack (HR)
3. 1– Feeder Bunk Frame
   With Liner (FBFWL05)

A. 4- 3/8” X 3/4” Bolts (FB060.75ZPG2)
B. 2- 3/8” X 2 1/2” Carriage Bolts (FB062.50ZPG2)
C. 6- 3/8” Lock Nuts (FN06ASLN)

Tools needed:
2-9/16” Wrenches
NOT INCLUDED
GOAT FEEDER WITH HAY RACK INSTRUCTIONS

**Step 1:** On the end of the frame (FBFWL05), use a wrench to pry back the plastic liner by slipping the wrench between the liner and the frame as shown in Fig. 1.

**Step 2:** Holding one Hay Rack Brace (HRBH) with the bent metal saddle facing the floor, place the saddle over the pipe frame and under the liner (Fig. 1).

**Step 3:** Release the liner by removing the wrench. (See fig.2)
GOAT FEEDER WITH HAY RACK
INSTRUCTIONS

Step 4: Before raising the brace (HRBG) vertical, insert a 3/8” x 2 ½” carriage bolt (FB062.50ZPG2) through the saddle from the side facing outward. (See fig. 3)

Step 5: Raise the brace (HRBG) in a vertical position. Attach a 3/8” lock nut (FN06ASLN) onto bolt (FB062.50ZPG2). Tighten in the vertical position. (See fig. 4 & 5)
GOAT FEEDER WITH HAY RACK INSTRUCTIONS

Step 6: Place hay rack (HR) on top of feeder bunk (FBFWL05). Align holes on the hay rack (HR) with the holes on the top of the assembled brace (HRBG) that you tightened in Step 5. While inserting the rod that is on the bottom of the brace (HRBG) into the pipe that is on the bottom of the hay rack (HR) (see Fig. 6), insert 2–3/8” X 3/4” bolts (FB060.75ZPG2) into the aligned holes and attach the 3/8” lock nuts (FN06ASLN). (see Fig.7)

Step 7: On the opposite end, while raising the hay rack (HR), rotate the brace (HRBG) to align with holes as done in Step 6. Be sure and tighten the lock nut (FN06ASLN) on the saddle at the bottom of the brace (HRBG). (See Fig. 8)
GOAT FEEDER WITH HAY RACK INSTRUCTIONS

Step 8: Using the two wrenches, tighten the two bolts (FB060.75ZPG2). (See Fig. 9)

Step 9: Tighten the remaining 6 bolts inserted in Steps 1-6

Steps 10: Your Priefert Goat Feeder with Hay Rack (GFWHR) is now ready for use. (See Fig. 10)
